	Approved For Release 2005/02/17-CIA-RDP83-00415R0112000	50004-7 25X∥
	SECRET,	
Germa	an Democratic Republic	
1952	PRODUCTION PLAN FOR THE NONFERROUS METALS INDUSTRY	
	2. The production plan for the nonferrous metals industry un	nder the Ministry
Metal	llurgy and Ore Mining.	
	Nonferrous metals	
	Precious metals Wirebars Nenferrous-metal alloys Relled products made of nonferrous metals Babbitt bearings Shaped castings made of nonferrous metals Metal goods made of lead Metal goods made of aluminum Sulfuric acid Other chemical products	
	Precious metals Wirebars Nonferrous-metal alloys Relled products made of nonferrous metals Babbitt bearings Shaped castings made of nonferrous metals Metal goods made of lead Metal goods made of aluminum	
	Precious metals Wirebars Nenferrous-metal alloys Relled products made of nonferrous metals Babbitt bearings Shaped castings made of nonferrous metals Metal goods made of lead Metal goods made of aluminum Sulfuric acid Other chemical products	
	Precious metals Wirebars Nenferrous-metal alloys Relled products made of nonferrous metals Babbitt bearings Shaped castings made of nonferrous metals Metal goods made of lead Metal goods made of aluminum Sulfuric acid Other chemical products	
	Precious metals Wirebars Nenferrous-metal alloys Relled products made of nonferrous metals Babbitt bearings Shaped castings made of nonferrous metals Metal goods made of lead Metal goods made of aluminum Sulfuric acid Other chemical products	
	Precious metals Wirebars Nenferrous-metal alloys Relled products made of nonferrous metals Babbitt bearings Shaped castings made of nonferrous metals Metal goods made of lead Metal goods made of aluminum Sulfuric acid Other chemical products
